

Product Description

Cummins JetSort 2000

Increase Counting Speed and Accuracy

JetSort® coin sorters have set the world standard for coin sorting speed, accuracy and reliability for over twenty years. All JetSort models feature a coin sorting mechanism that has only one moving part, simplifying operations and making removal of stray material fast and easy while providing unmatched durability and reliability. Precision machined to a few thousandths of an inch, JetSort counts and sorts mixed coins with 99.995% accuracy.
