

Product Description

Cummins JetSort Self Service 6000

Increase Counting Speed, Accuracy and Customer Satisfaction

JetSort® coin sorters have set the world standard for coin sorting speed, accuracy and reliability for over twenty years. All JetSort models feature a coin sorting mechanism that has only one moving part, simplifying operations and making removal of stray material fast and easy while providing unmatched durability and reliability. Precision machined to a few thousandths of an inch, JetSort counts and sorts mixed coins with 99.995% accuracy.

SPECIFICATIONS

Sorting Speed -- Up to 6,000 coins per minute.
Coins Sorted -- 1¢, 5¢, 10¢, 25¢, 50¢, \$GD/\$SBA
Sorting Accuracy -- 99.995%
