ARGO 12.0

POWERED BY TDL™

Packed with the innovative features you've come to expect from Triton, the ARGO 12 has a sleek, modern design, a brilliant 12.1" color display, and added security protection. ARGO 12 can be configured to use many different dispenser options. With capacitive touch function keys, the ARGO 12 is able to perform contactless transactions via NFC and comes with all the latest regulatory features. The ARGO 12 is ideal for mid to large scale retail installations.

Running Triton Dynamic Language on the reliable Windows® CE® platform, the ARGO 12 is ADA, EMV and PCI 5 compliant. Available with a UL291 business hours cabinet or Level 1 safe, the ultra-secure ARGO 12 features advanced dispenser security, NFC, Triton Key Management and MACing options.

Thank you for supporting American workers!
