

ARGO^{FT}

POWERED BY TDLTM

ARGO FT has a trim look, and 15" touch screen, which makes it an excellent, affordable banking or high end retail solution. It offers through the wall walk-up and drive-up options for a surprisingly low cost investment. Both models have the ability to hold up to 9,000 notes, so it is ideal for high-volume locations.

Running Triton Dynamic Language on the reliable Windows® CE® platform, the ARGO FT is ADA, EMV and PCI 5 compliant. Available with Level 1 safe, the ultra-secure ARGO FT features advanced dispenser security, and NFC, Triton Key Management and MACing options.

Thank you for supporting American workers!
